

Online Summer School Program

MAY 26 - AUGUST 14

Are you looking for enrichment and elective courses for your children to explore fun topics and areas of interest? Is your child interested in exploring different careers to align their interests and skills for the future? **We have hundreds of options to choose from!**

Allow them to earn high school credit, take pre-requisites, and make room in their Fall schedule. Our complete catalog of courses, including a large variety of California A-G courses, is available for summer school with special discounted pricing!

Sign up now and start May 26! Pricing includes curriculum and live support from licensed teachers multiple times a week and students can work at their own pace.

SPECIAL SUMMER SCHOOL PRICING
Receive 25% off catalog pricing for summer!

Use discount code **SUMRSCHL2026** upon checkout.
